ROAD CONDITIONS

Be aware of who has primary jurisdiction over the Town, County, State or Federal roads/highways that you are traveling on. *Teton Pass and Snake River Canyon are both State Highways* and you can get notifications from WYDOT’s 511 notification system. WYDOT’s 511 notification system will provide all other state and federal highways. **Limited Town and County** road notifications are delivered through Teton County’s **Nixle**.
