2013 National Blue Ribbon School of Excellence

A tradition of academic excellence and a national reputation for innovative programming have placed Jackson Hole High School at the heart of a diverse and successful community. The high school reflects a population of progressive and forward thinking entrepreneurs, business people, and professionals who, working with Jackson’s long established ranching, farm, and recreation communities, and the newly arrived Latino residents, are the driving force behind a thriving and prosperous western town. In 2013, JHHS received the National Blue Ribbon Award for being an “Exemplary High Performing High School” from the US Department of Education. This is a merit based award strictly determined by student academic achievement.
